For more information visit www.rogerspolicefoundation.com

The Rogers Community Law Enforcement Foundation exists for the purpose of raising funding to further Rogers Area Community programs supporting Law Enforcement. Funding can be utilized for community events and programs promoting good Citizenship and Law Enforcement principles as well as programs that bolster the image of the Police in the community and provide good role models for our young people. It can also be utilized for the purchase of Police equipment needs over and above that traditionally provided by the city.

“WORKING TO MAKE OUR COMMUNITY SAFER”
